Do any of these attitudes and emotions  
habitually plague your life?

- *Despair*

- *Anger*

Beware! There may be spiritual reasons called  
“strongholds” causing these feelings!

Strongholds hinder your relationships with others by:

- (1) controlling, dictating and influencing your attitudes and behavior;
- (2) oppressing and discouraging you;
- (3) shaping and impacting how you view or react to situations, circumstances or people.

You CAN experience freedom from these attitudes and emotions! At a four-hour DEMOLISHING STRONGHOLDS WORKSHOP you'll be shown how to demolish influences that have been passed along within families from generation to generation. You'll learn how to fill in those old ruts of damaging attitudes and actions with responses that mend and heal your relationships!
