**Topic 4. Kingdom Living: A Positive Response To Trials And Suffering**

- What is your reaction to the idea of suffering and trials on behalf of your King?

---

---

---

---

- Have you experienced any sort of rejection or suffering because of your walk in Jesus? Explain.

---

---

---

---

- Have you ever been “put out” of a religious system (either gradually or abruptly) because of your obedience to the Holy Spirit in an area in which the system disagreed. Did the people who remained within the religious system alter their relationship with you? How?

---

---

---

---

- Do you embrace the trials or suffering you’ve undergone as God’s will, or do you grouse and grumble? Ask those close to you for their input.

---

---

---

---

- Can you think of ways in which you as a family and a fellowship family can help one another prepare to endure with love in your heart toward *your* persecutors, both current and/or future ones?

- Are you a person who looks back at what you've given up for Jesus? Yes or No? If so, how has this hindered your own spiritual growth? How has it kept you from being fully available for our Father's purposes?

-

- 
- 
- 
- After you've repented and confessed your sin, do you continue to live in regret? How can you help someone in your fellowship family who continues to slog along in guilt from the past?

- 
- Why is it important to our Lord that we *look ahead*, both individually as well as collectively?
