**Topic 4. Reach Unbelievers: Respect Their Relational Connectedness**

- Throughout the day, are your thoughts more about *yourself* as an individual meeting your own desires, or about *other people* and what you can do to reflect Jesus to them?

---

---

---

---

---

- Describe a situation in which you sowed seeds of spiritual truth in someone but then had to wait for that truth to “incubate”. How long did it take for the seeds to take root as the Spirit wooed that person and the spiritual aspect of your relationship could deepen?

---

---

---

---

---

- Describe the current nature of your relationship with your biological family.

---

---

---

---

---

- Would you say they can see any difference in you compared to this time last year as far as your character and/or life choices are concerned? If so, give an example.

---

---

---

---

---

- Who is there in your relational realm whose family or close friends you have yet to meet?

---

---

---

---

---

- Do your friends or coworkers or neighbors know you well enough to respond positively if you ask them to get together for a spiritual discussion? How can you deepen the nature of the relationships you do have?
