- Have you used titles in the past to address others within the religious realm? Did you feel uncomfortable calling them by their first name *without* the title? Why?

- Which of the biblical purposes for elders are currently being enacted in your fellowship family? Which would you like to see become a part of your servant/leadership?

- If you're a man, at what stage of male development are you? Are you at a stage that's appropriate for your age?

- If you're over 50, are you fulfilling your responsibility as a biblical elder? Yes or No? If yes, how are you accomplishing this? If no, why aren't you?

- How can you help an older man in your extended spiritual family fulfill a biblical

role of nurturing, guiding and guarding those in your home fellowship?
