Section 4: Segment 8

Topic 3. Shepherding: The Importance of Proximity and Accessibility

- How accessible are the ones who are leading your fellowship family? Do they serve by example? In what ways?

- Has any biblical confrontation taken place in your fellowship family? How did the one being confronted respond? How did that person specifically grow in wisdom because he or she was loved enough to be confronted?

- Describe how your fellowship family works together to clarify God’s Word so that each person can apply it in their own home. Is interpersonal discussion a hallmark of your fellowship family? What changes need to be made?

- Describe the most recent time when an elder prayed and anointed you with oil for healing. Is there any hesitation in you or your fellowship family for this to take place?
