Section 4: Segment 10

Topic 1. Constant Vigilance: Guard the Sheep, Block the Wolves

- What kind of “agenda” might an unrepentant person have who tries to infiltrate your fellowship family?

- Describe a situation in which YOU took part in a gathering of believers yet you sensed in your spirit that something was wrong. Looking back, could you identify a “familiar spirit” in your midst?

- Have you ever been part of a group of believers whose relationships were penetrated and ultimately divided by a new person who sowed seeds of discord? Explain.

- Describe what you would do if you knew someone in your fellowship family was holding onto sin. Ask those in your fellowship to evaluate your response.

- Have you ever been let down by someone who was supposed to be leading but looked out for his or her own interests instead? How did you feel about that person?
