**Topic 1. Load-bearing: Value the Children in Your Fellowship**

- One of the true measures of the character of Jesus in any adult is how they treat children. Are you able to humbly entrust yourself to our Father with the same trust you see in little children? Yes or no? If no, what are you lacking that children have?

---

---

---

---

---

- What is your perspective of children in general? Describe your ongoing relationship with the children in your life and/or fellowship family.

---

---

---

---

---

- If you already meet with others in homes, describe your time together, especially the interaction with the children and their participation.

---

---

---

---

---

- Are the parents on pins and needles worried about their kids' behavior? Are they oblivious? Is this a matter that you as a fellowship family need to discuss?

---

---

---

---

---

- Have you gleaned any ideas that encourage you as a fellowship family to help the children know they're welcomed? What changes do you purpose to make?
