Section 4: Segment 13

Topic 2. Establish A Perimeter of Holiness In Each Home

- A wise man once said that prayer isn't PREPARATION for the battle; prayer IS the battle. How does this apply to your fellowship family reaching your neighborhoods for Jesus?

- Why is a perimeter of holiness around each home in your fellowship essential before you reach out to others?

- What will you as an individual, a family and a fellowship family have to do to erect a perimeter of holiness around your lives?

- Has each person in your fellowship family had the opportunity to share a testimony of having depended on the Holy Spirit within them to work through them? If not, why not?

- Discuss the most recent rhema that you, your family, and your fellowship family have received from the Holy Spirit. What action did you take in response to His

will being made clear in that specific matter?

- How do you, your family, and your fellowship family generally make decisions that will affect the lives of others?

- Have you or your fellowship family used either decision process we've described — casting lots or confirmation by two or three? What was the outcome?

- Is your home a sanctuary and refuge of love and peace for each family member and visitor? Yes or no? If no, what do you need to change so that the light is fully light? How can your fellowship family help?
