Section 3: Segment 2

Topic 2. The Link Between Two Covenants

- If you're currently married, how did you determine that your spouse was God's will to be your life companion?

- Have you ever had doubts since then that you misread God's will? Yes or No? If yes, what causes you to doubt?

- Looking back, how prepared were you to BE married? Who or what has helped you to STAY married?

- Has dying to yourself become REAL to you in your marriage? How yielding have you been to the Spirit's prompting to set aside self-interest?

- What are the areas of greatest difficulty in your marriage relationship? Ask your spouse for his or her response to this.
