Section 3: Segment 7

Topic 1. Mike's Pilgrimage To The Hebraic Foundations

- How do you feel knowing how messed up I was in my marriage? Are you encouraged, or do you find a certain disdain for me?

- Do you have a "Bert" in your own life who's willing to confront you, and are you willing to receive what he has to say?

- If you can answer yes, can you think of a few areas of your life in which this person has confronted you? How did you respond?

- If your answer is no, why is there no "Bert" in your life?

- If you're married, how forgiving and long-suffering is your love toward your wife?
