Section 3: Segment 7

Topic 3. Rites Of Passage

- Does your father treat you as a man? Yes or no? If yes, how did this occur? If no, why do think this is so?

- If you're married, do your wife and others regard you as a responsible man, both toward God and your family? Ask them for feedback.

- Men, are there younger men or boys in your life with whom you could share these "preparation" insights and help them along the path of maturity?
