**Section 3: Segment 8**

**Topic 2. What Do We Women Really Inherit From Our Mothers?**

- How do YOU respond to the reality of the curse we women have inherited from our first mother, the desire to rule our homes?

---

---

---

---

- In what ways did your own mother train you to be godly? In what ways did she inadvertently train you to be like Eve?

---

---

---

---

- Do you view yourself as your husband's helper, the woman suitable for him? Yes or no? If no, how DO you see your relationship to him?
