Section 3: Segment 9

Topic 2. Men In The Gap

- Picture yourself in a gathering. A hand grenade is tossed among you. Evaluate yourself: Would you jump on the hand grenade? Would you *really*? Would you have to stop and think about it first? 1-2-3 BOOM! Write down how you'd respond.

- Ask those close to you for their evaluation. Do they see areas in which you AREN'T dead to yourself?

- Are there areas you insist on having your own way, no matter what?

- How do you handle unscheduled intrusion in your life?

- Do you find it a joyful opportunity, or an inconvenient interference? Ask your family members and others close to you in the faith for comment.
