

An Old Prophet's Years Of Laments

Prophetic Insight 9/23/2024 Do you care about the downfall of the US?

Dear Friends in Christ Jesus our Lord,

The Holy Spirit has primarily used Sue and me through most of this past year to expose the myriad of religious bamboozles which centuries of **audacious anti-Semitic theologians** have fabricated. These may appeal to "intellectual beliefs," but ignore the Biblical understanding of both testaments: Actively applying God's priceless commands because of our love for the **One Who** gave them to us. An even greater bamboozle in their intellectual appeal is the eradication of the precious personal intimate relationship which our Father and our Lord Jesus offer the *genuinely* born again in the New Covenant. (We do realize that a number of you who have turned wholeheartedly to the Spirit of our Lord Jesus have broken through to this personal relationship. But Father has intended it for ALL who have by grace turned from darkness to the Light of Christ!)

FYI: Divisive intellectual manipulation of God's Word has been a key strategy of Satan to impede Christians from experiencing the intimacy which our Father and Lord Jesus offer through the New Covenant. We strongly encourage you that now is the time for you to actively cooperate with the Holy Spirit and allow Him, **THE One Who inspired the Bible writers**, to reveal to you the relational intimacy that our Father and Lord Jesus would have you experience. Can there be any greater intimacy than "*Christ IN you, the hope of glory*" (Colossians 1:27)?

God's handwriting is already on the wall

Mercifully, God always warns *before* He enacts judgment. On our national wall we see the warning of old: **MENE, MENE, TEKEL, PARSIN**. MENE, God has numbered the days of our democracy and is bringing it to an end; TEKEL, we've been collectively weighed in the balance of righteousness and found lacking; PARSIN, divided by hatred and fragmented by special-interest groups, our nation will ultimately become an anarchy leading to dictatorship (see Daniel 5:25-28).

SOS Are we grieved to have to reveal this warning to you? Yes! Over the decades Sue and I have despaired over the seeming lack of response as the Holy Spirit has had us repeatedly call for repentance and holy living and compassionate love which uphold the righteous reputation of our Lord and Savior Jesus. We continue to urge followers of Jesus to be **Christ's ambassadors** who delightedly show His love to unbelievers and offer them practical help and personal testimonies which declare He's alive and involved.

For the most part, though, much of today's Christianity has turned away from personal responsibility as Christ's ambassadors. Hardened in their political stance by falsely believing that democracies and two-party systems are God's highest form of government, increasing numbers of Christians are filled with "**(un)righteous indignation**"—in other words, "**I have a right to resent whomever I want!**" "Christian" arrogance and hatred are being manifested, and they're blinded that their sinful heart attitudes and words and deeds are provoking God to judgment!

(A historical fact: This nation was founded by primarily God-fearing men who comprehended the moral code of the Bible. They established a *republic*, not a democracy. Some vehemently warned about ever becoming a democracy. Historically, democracy has been the last step before anarchy and dictatorship. But out of men's foolish arrogance, the 17th Amendment which was passed in 1912 changed the US

government from a republic to a democracy. Whether you agree or not, we believe that this alteration precipitated the beginning of what would become the end for this nation and its Constitutional blueprint.)

Aliens At Our Borders Are A Sign That Christians Failed To Evangelize!

Our God is a God of divine purpose. All He wants you to do is ask Him why something is occurring so you can fully cooperate with Him in His purpose.

Do you realize that in the Older Testament our God's purpose for choosing the Israelites was to reveal Himself to the unbelieving world (Deuteronomy 4:6)? But instead of being His ambassadors to the pagan nations, **the Israelites became smug about themselves**. This self-satisfied pride is why John the Baptizer (Matthew 3:9) and our Lord Jesus censured the Israelites of their day. Jesus even told them that their father was the devil (John 8:44)!

Christians are no different than Israel in their resistance to our Father's purpose. As with their stubborn forebears, not every Christian accepts and enacts being Christ's ambassador to fulfill Father's will. Out of love for the unbelievers at our borders who have never heard or understood the Good News of Jesus, our heavenly Father has brought the aliens to our doorstep. As an example, think about Europe of old. In the centuries since Christianity first entered the continent, many heathens became Christians—but not because many Christians lived as Christ's ambassadors and evangelized the unbelievers! Instead, the heathen tribes captured and enslaved Christian nations, and THEN those who loved and served Jesus were able to present the Gospel among their captors. (See God's hand behind this pattern of His people's resistance and their subsequent captivity in Nehemiah 9:30.) Throughout Christian history, especially with the establishment of the "Holy Roman Empire", Christians en masse have allowed professional religion mongers to impose their belief systems. Tragically, this practice even today allows individual Christians to rationalize that they don't have to carry out our Lord's mandate to each of His followers, that **"as you are going, make disciples"** (Matthew 28:18-20).

👉 **If each of you who are reading this would just ask the Spirit of our Lord Jesus, you'd know without any doubt that whenever Christ's followers refuse to be His ambassadors wherever they are, He brings the unbelievers to them. He is even willing to subjugate silent Christians to oppression as He did in the Older Testament with Israel and her enemies. SHARE THE GOSPEL!!!**

***"The foreigner residing among you must be treated as your native-born.
Love them as yourself, for you were foreigners...
I am the LORD your God"*** (Leviticus 19:34).

Everyone who's living in this land is an alien or a descendant of aliens. Even the Native Americans came from elsewhere! When you think of aliens, the foreigners at our border, you need to remove your **anti-Semitic theological blinders** that disavow God's commands in the Older Testament. Please internalize what HE says about the treatment of aliens and foreigners:

"Do not mistreat or oppress a foreigner, for you were foreigners..." (Exodus 22:21; see also Exodus 23:9; Deuteronomy 10:19).

"When you reap the harvest of your land, do not reap to the very edges of your field or gather the gleanings of your harvest. Leave them for the poor and for the foreigner residing among you. I am the LORD your God" (Leviticus 23:22).

Are you as a Christian allowing yourself to be seduced into **fear, resentment and hatred** regarding aliens by Satan's clamorous mouthpieces? If so, it's because you have little trust in the sovereign purposes of our God. His commands in the Older Testament seem meaningless to you because anti-Semitic theologians told you they were. But GOD doesn't see them that way! And you most likely tolerate unconfessed sin, especially unChristlike attitudes and anger-influenced opinions, which leave you vulnerable to demonic influence.

Your collective susceptibility to demonic lies certainly showed up after 9/11. You who are conservative Christians led the way in demanding **government protection**. But all too scarce were religious leaders who called for repentance and turning to God for protection. (The late David Wilkerson was the only notable person we knew of who viewed 9/11 as an act of God against the sins of this nation. Many clergy publicly denounced him for saying this.) After 9/11, **fear and fretting** became so powerful among many of you that you were more than willing to give up any and all personal freedoms so that the Federal Government would protect you.

☠ If the shoe fits... 9/11 exposed how very little you as a Christian trusted the sovereignty of our heavenly Father or His purposes. It also revealed your reluctance to repent, which has been the collective Christian way for decades beginning in the 1950s. You got what you wanted: more government. Yet you're the ones screaming for less government. Do you see how deluded in Father's sight you really are?

Now, years after 9/11, aliens/foreigners are waiting at our borders. (Many are here because of evil and violent cartels in their own countries which *years of US addiction to drugs have perpetuated*.) 9/11 was God's testing of us to see what Christians here would do. Collectively you failed! Now you're deluded into listening to **political fear-mongering satanic voices** denigrating aliens to the extent that you're unable and unwilling to view them in your role as Christ's ambassador. Your self-exalting, inconvenience-intolerant stench completely masks over the aroma of Christ. Not only does Christ not shine through you, you've made yourselves God's enemy by compromising with the world's hatred and racism.

For each and all of you, we urge you to be very, very careful about your attitudes against the aliens at our borders today! To repeat: **Satan's dark-hearted pawns** in their political posturing are inciting widespread fear that ALL aliens and foreigners at our borders are a grave threat to our security. Yet from God's perspective, the migration of the needy from their own lands is a replay of Christian history! And if we don't pay attention to history, we will live to repeat the same sins. Anchor this more deeply than whatever political convictions you have: Why is it so hard for Christians to ask our heavenly Father HIS purposes for aliens being at our borders? Here's an answer: It's because hatred of people who are different in whatever way is far easier to embrace because of **our sin nature**. If you truly belong to our Lord Jesus, then extend His **love, forgiveness and compassion** for humanity which should emanate from the Holy Spirit within you.

And, we implore you to **PERSONALLY** be that one Christian in the US who tears the **demonic veil** away from your mind and quits deceiving yourself that everything will be alright if it goes the way you want it to, especially in the political arena. This nation in its arrogant, unrepentant pride is destined for anarchy and dictatorship! We have collectively lived a lie as Christians in this **"post-Christian nation"**. We have collectively deceived ourselves that our heavenly Father won't hold us accountable for our blatant lawlessness and sins. We've failed to individually be our Lord's ambassadors, despising His commands when we denigrate humans from other nations and ethnicities. God's Word promises that when you continue to believe lies, HE will send a powerful delusion on you. **"Widespread delusion"** is the clearest description of Christianity at large in this nation. And when you choose to spend your Christian existence without the guidance of our Lord's Spirit,

then you are deluded and susceptible to all kinds of deceit. You may even believe that the two-party political system is of God, not asking HIM His will for governing.

Only by putting into practice God's commands in the Bible through trusting in the Holy Spirit, the Spirit of Truth Who inspired its writers, can you live by truth and enact love for God and for one another. No matter which of the myriad of 'gospels' you embrace, know that the gate to heaven is as narrow as our Lord Jesus affirms. And entering this gate is for those who STRIVE by His grace to establish their lives on the truths of the Bible as the Holy Spirit confirms.

"Such men and woman deserve recognition" (1Corinthians 16:18b)

Richard and Sabina Wurmbrand, the character of Christians we need in our times

(They wouldn't hesitate to be the first to jump on a grenade.)

•Consider this true account. "1945: The government had invited all the religious leaders—over 4,000 attended. First, they chose Joseph Stalin as honorary president. One by one the priests and pastors of Romania stood and offered words of praise for Communism and declared their loyalty to the new regime. It was absurd and horrible—bishops and pastors arose and declared that Communism and Christianity were fundamentally the same. Out of fear, these men of God were filling the air with flattery and lies. It was as if they spat in Jesus Christ's face.

Sabina implored, "Richard, stand up and wash away this shame from the face of Christ." Richard knew what would happen: "If I speak, you will lose your husband." Sabina replied, "I do not wish to have a coward for a husband." Pastor Richard Wurmbrand took the stage, a lone voice among the 4,000, and went to the microphone. He was well-known in Romania, and everyone believed he would go along with the assembly for the sake of "peace." He didn't. He spoke only of loyalty to Jesus Christ. He could not "co-exist" with any entity that opposed the Great Commission principle. For his simple protest, Richard paid dearly—as did countless Christians who refused to "bow down" to the ways of communism."

•During that same period Corrie ten Boom lived as our Lord's ambassador. Her very personal writings continue to inspire both of us. She wrote, "A woman facing a dangerous foreign mission assignment, when asked if she was afraid to go, replied, "I am afraid of only one thing—that I should become a grain of wheat not willing to die."

We offer you these two anecdotes with a similar purpose as our Lord's parables which allowed His listeners to put themselves in the same situation. What is YOUR response to the testimonies of these ambassadors for Christ? If you aren't dead to everything else by embracing the life of being our Lord's ambassador, then the only conclusion is that you may not belong to Him!

Finally, don't think that we're oblivious to what it costs to be true to our Lord Jesus. Over the decades since our return from Israel it has become painfully evident that **"Hellenism owns the church in the US"** as we'd been warned before we left that land. Hellenism and its people-pleasing agenda is insidious and is entrenched in the curricula of many seminaries. It's going to take an individual or a small group of authentic Christ followers to have the unwavering conviction to pursue the Spirit for truth no matter what it costs. Be that person for Christ!

Being true to our Lord Jesus by His grace,
Mike & Sue (Ezekiel 33:5)
