Our 'Abba' in heaven, what's happening to the USA?

Dear Friends in Christ Jesus our Lord,

Our purpose in writing this series of Prophetic Nuggets is to bolster the loving conviction of the *genuinely* born again during these troubled times of Father's unfolding chastisement of the US. (We sense that our time to help you may be swiftly running out, whether by what is being precipitated by our heavenly Father or by Mike's declining health.) Our deepest concern is that Satan may lead the *genuine* to misinterpret *what our Father is doing* and *why* (see 2Corinthians 2:11). If you don't have clear grasp of this, then you may find yourself entangled in **society's pervasive contempt and bitterness** against people for whom our Lord sacrificed Himself. Throughout this series we'll connect our Father's chastisement of ancient Israel for their tolerated sin in the Older Testament with how nominal Christianity expanded in the US after World War II. This may be an unfamiliar approach, so please read on!

"Those who cannot remember the past are condemned to repeat it."

—George Santayana 1905

"For I the LORD do not change..." (Malachi 3:6). Keep in mind a key scriptural truth about our Father: He does chastise ongoing tolerated sin. Beginning with Adam and Eve and their sinning son Cain, both the Bible and Christian history reveal that He executes chastisement when people keep offending or defaming His righteousness: *"For My own sake, for My own sake, I do it, for how should My Name be profaned? And I will not give My glory to another"* (Isaiah 48:11). As we've often warned, Father is executing chastisement on the US because of **widespread tolerated sin throughout Christianity**, as well as for the **cowardice of men who refuse to stand up for righteousness**.

Abraham had the kind of relationship with God that he could directly ask Him to spare wicked Sodom (Genesis 18:17-32). Our Father told the patriarch, *"For the sake of ten I will not destroy it"* (Genesis 18:32). Ten righteous men couldn't be found. Righteous men hold great value in Father's sight! Prior to His destruction of Jerusalem He told the prophet Jeremiah, *"Run to and fro through the streets of Jerusalem... see if you can find a man, one who does justice and seeks truth, that I may pardon her"* (Jeremiah 5:1). The prophet couldn't find even one courageous man of righteousness.

❖ Father commanded us several years ago concerning the US with its unrepentant nominal Christians, *"Do not pray for this people, or lift up a cry or prayer for them, and do not intercede with Me, for I will not hear you"* (Jeremiah 7:16). Since then we've ministered knowing about His forthcoming chastisement, purposing by His grace to help the *genuine* align themselves rightly with Him in loving obedient trust and the biblical way of life in Christ that He is restoring to those who have ears to hear.

"The devil's captives do not practice righteousness and are not of God" (see 1John 3:10).

Especially during the 80 years since the end of World War II, demonic spirits have focused on deceiving Christians in particular who at heart want to follow their own will rather than God's will:

1. Demons entice **widespread toleration for unconfessed sin** within Christianity.
2. Demons **diminish the significance of men** and **their responsibility to uphold our Lord's righteous commands**.

Through the decades of this nation's increasing ventures into spiritual darkness, we've lived as the Holy Spirit's observers, watchmen if you will, among His voices of warning. During these years other prophetic voices such as the late David Wilkerson have warned Christians. And like the majority of

prophetic voices in the Bible (except for Jonah in Nineveh), prophetic warnings today continue to be drowned out by **nominal Christians indulging their sin natures**. With all the warnings in recent decades it will be said of this coming chastisement, *"Now the LORD has brought it about, and has done just as He said. Because you people have sinned against the LORD, and not obeyed His voice, therefore this thing has come upon you"* (Jeremiah 40:3).

❖ So we implore the *genuinely* born again: Realize that Father is ushering in chastisement on the US. There is no political 'messiah' to save this nation! In fact, by spurning the desperate need to repent, nominal Christian clergy are worsening and expediting the painful chaos which chastisement will bring.

"Do you remember that we previously told you these things?" (see 2Thessalonians 2:5).

We want to highlight some of the key diverse demonic strategies of which the Holy Spirit made us aware, which we wrote about as He showed us. If you've been with us since our first letter of February, 1983, you may remember these warnings. So rather than discussing at length these anti-Christ influences, we've provided links to material we've already published. What you see going on around you today in this nation is the outcome of sinister strategies over the course of several decades.

🔥 By signing the Humanist Manifesto in 1932, the National Education Association (NEA) propelled **Humanism** to its current domination of public education. In putting humans at the center of all that is, Humanism eradicates the preeminent importance of our Lord Jesus as Creator, Redeemer and coming King. During this time, generations of nominal Christians have become brainwashed by Humanism's dictate: personal happiness without moral boundaries. And nominal clergy feed this unbiblical emphasis because sin nature-dominated bill payers passively fill their pews.

🔥 In the 1950s **liberal lawyers** traveled throughout the country to inspire fear in clergy about being sued, and urging congregations to incorporate. Incorporation led to bank loans which produced mortgages that needed to be paid. That resulted in feel-good preaching that was void of repentance and obedience. The Church Growth Movement surged in popularity as no one was held accountable before God for their self-willed way of life.

🔥 Baby Boomers and their successors, the Baby Busters and their self-obsessed offspring, have grown up with far less mastery over their sin nature than pre-World War II generations. Why? Because in 1946, **Dr. Benjamin Spock** published "Common Sense Book of Baby and Child Care." (500,000 copies sold in the first six months after its publication, and 50 million by the time of Spock's death in 1998.) His Bible-denying premise *of which he later recanted* is that children are born good; poor parenting and society make them bad, as does spanking.

🔥 Obsession with **political solutions** as the only answer for this nation's ills began to dominate conservative Christianity from the day that President Ronald Reagan invited Rev. Jerry Falwell, the founder of the Moral Majority, to the White House. Over the years since then, "spiritual" influence in politics was exercised by notables Rev. Pat Robertson and Dr. James Dobson among others, and the Christian Coalition of America, one of the largest conservative political organizations. These individuals and their institutions more sharply steered nominal Christians toward politics being the solution, with no need for them to personally live repentantly.
