Section 3: Segment 11

Topic 3. Maintaining Your Authority: Give No Excuses, Blame No One

- Where does the buck stop in your home? With the husband/father or the wife?

- If the buck stops with the wife, why is this so? (If you have children and have doubts where the buck stops, ask them. They know.)

- Are you in the habit of blaming others or giving excuses for your shortcomings? Ask those close to you for feedback.
