#### Section 3: Segment 16

#### Topic 5. Beware of the Media's Influence!

- What types of media do you generally view or listen to? As you consider this, how do you think they might be affecting you or your family? How have your media habits changed since you've become a follower of Jesus — or have they at all?

- Are you willing to thank our Father for the husband He's given you no matter what is going on in your marriage? How do you think your outlook and responses will change if you purpose to be thankful?

---

---

---

---

- Are you willing to start seeking ways to express contentment rather than dissatisfaction? On a scale of 1 to 10, with 10 being great contentment, where would you place yourself? Where would your husband and children place themselves?
