Section 3: Segment 17

Topic 2. Nurture A Beautiful Spirit

- Evaluate the time and effort you carve out to nurture your spirit in prayer and in internalizing the Word. Be honest.

- How much more time do you devote to your physical needs than you spend communing with our Lord? Compare your time use in the physical and spiritual realms.

- In what ways do you encourage your husband, children or load-bearing friends with the insights the Spirit is showing you?

- Have you been able to savor the quiet, trusting spirit that comes from abiding in our Lord's presence? Yes or no? When was your spirit last quiet?
