#### Section 3: Segment 18

#### Topic 3. Raising Spiritually Mature Children: Success Without Successors Is Failure

- How narrow do you think the gate to which Jesus refers IS?

---

---

---

---

- Are you SURE that you're heading for the OPENING? Or, are you going to splat on the wall next to the doorway? Another way to ask this is, "Are you heading with determination and trust for heaven, or, are you enmeshed in unrighteous pleasures on the pathway to hell?"

---

---

---

---

- If you ARE heading for the narrow gate, how are you using your life to help your immediate family and extended family make it through the gate as well?

---

---

---

---

- Really, stop and talk this over: What ARE you doing to help them make it through the narrow gate?
