**Topic 1. Children: Born With A Sin Nature, Destined For Eternity**

- When your children were born, were you as parents ready to guide each little one onto the pathway to heaven? In other words: Are you headed for the narrow gate yourself?

---

---

---

---

- What is your reaction to realizing that your child was born with a sin nature?

---

---

---

---

- How do you think you as a parent are doing, or have done if your children are grown, in helping them combat their sin nature?

---

---

---

---

- What corrective measures have YOU used in raising your children?

---

---

---

---

- How effective have they been with each child?

---

---

---

---

- Describe your feelings when you do have to correct or exclude whatever is detrimental for your children.

---

---

---

---

- Really, how does it make you feel? Does correction reveal your love? Your irritation? Your resentment?

---

---

---

---

- Do your children base their behavior on placating you, or do they feel the hurt their wrong has caused and eagerly repent?

---

---

---

---

- When you aren't with your children for short periods of time, does their behavior worsen, stay the same, or improve?

---

---

---

---

- If you have older children who are still at home, what part does the Holy Spirit play in convicting them of sin?
