

IF ONLY EVERYONE OBEYED HIS VOICE

Dear Friends in Christ Jesus our Lord,

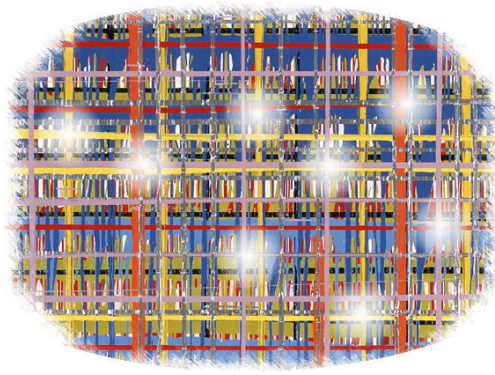

The next video in our Mutually Serving Jesus Your Lord With Resolute Determination series is on Youtube. In this video and one or two to follow Mike shares the role of the indwelling Holy Spirit in the born again. Two particular missions of His internal presence in us, and which are very dear to our hearts, are His ongoing transformation of us, and His specific guidance so that we can do our part in our heavenly Father's larger purpose.

No human can see the entire tapestry our heavenly Father is weaving in accordance with His own will. But it's imperative that His children hear and obey the voice of His Spirit so that our particular weave in the tapestry is carried out.

Yet throughout Christianity most people have been trained to depend more on acquiring more "Bible knowledge" than on seeking, hearing and obeying the voice of the Holy Spirit which the Bible tells us is the way of life of a follower of Jesus. Too many Scripture knowledgeable people in Christianity leave holes in Father's tapestry by their grieving and quenching the Holy Spirit.

The internal work of the Holy Spirit must be something you seek because if you're born again He is there. If your

spiritual walk is demonstrated in your pursuit of acquiring more Bible knowledge than you obeying the Holy Spirit, so you can do your part in our Father's tapestry, you're in grave danger. To help you this new video on Youtube illustrates the internal operation of the Holy Spirit.

The way of life of the born is summed up for us in, *“If we live by the Spirit, let us also walk by the Spirit”* (Galatians 5:25). The Bible, which the Holy Spirit inspired, is His *reference manual* for how to live with Him guiding you in fulfilling your part in our Father's tapestry. You don't want to be a hOle in it.

A Nation Overflowing With Bibles, But Devoid Of The Lordship Of Jesus

This is a sad but accurate description of this nation, And, most Christians find it hard to agree with it until they begin to resolutely seek, hear and obey the inner voice of the Holy Spirit. If you've never lived this way and aren't doing your part in our Father's divine tapestry, you haven't a clue of what you're failing to do. You can't feel the betrayal you're not only doing to Him, but to others who needed your part in the woof and weave of Father's tapestry. And know this: Satan delights in you knowing all the Bible you can ingest, as long as you don't do your part of our Father's will.

Bible – Yes, The Lordship Of Jesus – No

A few nights ago we watched a movie that succinctly encompassed the warnings our Father has been giving us to share these past years. The movie is, *Time Changer*. (We watched in on Tubi). The movie provided insight into how this nation got to where it finds itself today with its moral compass shot full of holes, and devoid of the Lordship of Jesus.

In watching the movie we could see the demonic evil produced by the **Social Gospel**, the **Church Growth Movement** and its “Seeker friendly” marketing strategy. And, the stench of the **false gospels** of today that both eliminate the Lordship of Jesus and any need to repent is evident in the movie.

From our own spiritual experience in exposing and confronting it 30 years ago, we could see the affects of “**Dominion theology**.” This Christ-less theology has been pushed for decades by so-called “Conservative Christians”. Dominion Theology is a political strategy to institute a nation governed by Christians based on the moral law of God’s Word. This strategy propagates a nation living under God’s Law without the need for the Lordship of Jesus.

Finally, please look inside yourself and which voice you
are listening to:

- Are you inspired by the sacrifices of other followers of Jesus?
- Do you admire them as well as asking the Holy Spirit for the loving courage that they manifest in pouring themselves out, even to the forfeiture of their lives, for our Lord Jesus?
- Or do you harbor the selfish view “I’m glad it’s them and not me”.

If you have reservations about being sacrificially poured
out for our Lord Jesus please read the account of Twen
Theodros in Voice of the Martyrs, <[https://

the Holy Spirit “Why?” If you are, resolutely do your part in
our Father’s divine tapestry!

Open our eyes Lord
We want to see Jesus,
To reach out and touch Him
And say that we love Him.

Open our ears Lord
And help us to listen,
Open our eyes Lord
We want to see Jesus.
