**Section 3: Segment 21**

**Topic 1: Guide Your Children's Ambition: Learn Who They Are**

- If you have children at home, describe the personality and bent of each. What ambitions does each one display?

---

---

---

---

- Have you any discernment or guidance from God as to which future occupation or vocation would give each child the most fulfillment and bring glory to God?

---

---

---

---

- For each of your children, write down six characteristics that they should look for in a spouse that would complement their own personality and ambitions. Discuss your insights with each child at the appropriate time.
