Section 3: Segment 21

Topic 3: Guide Your Children's Ambitions: Protect Them From Worldly Values

- Is your own faith walk pure? Or, is it an alloy of worldly values sheathed with a veneer of spirituality?

- What proceeds from your conversations (even the ones you think are private)?

- Does your family hear worldly cravings in your words?

- Does that which you crave, whether righteous or worldly, resound in your words and actions?

- Does your mouth boast about your achievement or possessions? Ask your family for feedback.
